21				Sanitation & drinking	A	
22				Cleanliness	A	
23				Functioning of Lecturers	A	
24						Over All Impression on the College
25	Any Other important Observation					
	The college has excellent ICT enabled infrastructure and the perfect ambience for teaching learning. All the laboratories are equipped and maintained very well. Relevant add-on courses are a significant feature of the curriculum. The library is fully automated and uses the latest technology. It offers very good facilities to its users. Research work is undertaken with vigour. Besides minor and major projects, a good number of scholars are involved in research under the guidance of recognised supervisors among the faculty. There are national and international publications. Placements are good. There is a laudable summer internship programme.
