- To strengthen the eco-friendly environment in the campus, solar panels have been installed to generate renewable energy.
- To cater to the special needs of the visually challenged students in our college, Braille books have been provided and for the differently abled students ramps have been built in 4 buildings to facilitate movement.
- Language Partnership Programme was initiated in 2018-19 by Dr.Sr.Jasinthra Quadras being followed up by the Department of English for slow learners of English Language. This programme is intended to motivate the fast learners of English Language to teach the slow learners on voluntary basis after the college hours. We thank Dr.Thilagavathi Joseph, Retired Faculty, Department of English, Stella Maris College, Chennai for her selfless and dedicated services towards this cause.
- Along with the existing certificate courses, 22 need based new certificate courses were introduced this year to equip students with employability skills and prepare them for the job market.
- 16 new student clubs have been introduced along with the existing ones to encourage students to bring out their innate talents and abilities.

NAAC Re-accreditation

The college is in its fourth cycle of assessment and re-accreditation by NAAC. We have prequalified for assessment and expect the completion of the process during the next academic year.
