Gender Sensitization Action Plan

The Gender Sensitization Action Plan for the year 2021-22 aims at sensitizing students to various aspects of gender, recognizing its manifestation in real life and encouraging student agency. The following action plan has been formulated for the academic year:

- Continue to offer the courses/ topics on gender in the revised syllabi of various departments
- Plan collaborative activities for awareness on gender issues, domestic violence, and sexual harassment of women and children as mentioned in the MoU with Vasavya Mahila Mandali.
- Advise all departments to conduct activities such as competitions in elocution, poster creation, guest lectures related to the theme of gender.
- Webinars to be organized to address different aspects of gender sensitization.
- Promote publications on gender.
- Celebrate days that foreground women such as International Women's Day.
- Encourage student participation in all gender-related activities.
