

Rules & Link

An infographic is a visual way to display data or information that makes it easy to understand at a glance. It can take the form of a chart, diagram, or illustration, and usually involves minimal text.

Rules:

- The competition is open to all.
- The competition will be open till 16.10.2021.
- Design an infographic addressing the mentioned topic. Your submission should be your original work.
- Please name your infographic with your full name.
- You may upload one file, no bigger than 10GB.
- The file types allowed for uploading are image/PDF/PPT.
- All infographics will be viewed by a panel of judges.
- The criteria for judging in order of importance are:
 1. Effectiveness in raising awareness about E-Waste Recycling
 2. Visual quality
 3. Originality/Creativity
- There will be three winners in this competition. All the participants will receive a participation e-certificate.
