A Three-Day Virtual Professional Development Programme (PDP) on
‘Motivating Motivators: Practical Tips, Strategies & Skills’

18.11.2021 – 20.11.2021

Organized by the IQAC

Overview:

Motivation has been found to be an important driving force in an educational institution. Motivated and enthusiastic faculty are the key to a successful educational institution. The three-day virtual PDP on ‘Motivating Motivators: Practical Tips, Strategies & Skills’ is designed to inculcate among faculty the motivation to promote institutional effectiveness through the development of personal, professional and organizational growth of faculty. This virtual training programme is intended to help faculty and administrators improve their professional knowledge and competence in order to fulfil the varying roles in planning, coordinating and executing.

Objectives:

- To motivate faculty and administrators by providing them with practical tips strategies & skills
- To help faculty and administrators improve professional knowledge and competence
- To connect faculty with the vision of the institution

Outcomes:

Upon training the faculty will be able to

- Be motivated and realize their true potentials
- Improve professional knowledge and competence and succeed in their profession
- Develop positive attitude and commitment to do things
