Maris Stella College (Autonomous), Vijayawada
“A College with Potential for Excellence”
NAAC Accredited & ISO 9001: 2015 Certified
National Statistics Day 29th June,
2021

Organised by the Department of Statistics

National Statistics Day is celebrated on 29th June, every year, to mark the birth anniversary of *Prof. Prasanta Chandra Mahalanobis*, a renowned and eminent statistician.

The practice was started by the Government of India, in 2007 with the intention of creating public awareness, especially among youth, of the crucial role of Statistics in socio-economic planning and policy formulation. The annual celebration draws attention to the life and works of *Prof. Mahalanobis*, which in turn, will serve as a source of inspiration for youngsters.

As Statistics learners, the Department of Statistics wishes to contribute to this national effort. On 29th June, the department proposes to conduct a quiz and a poster presentation competition for all UG students of Statistics.

Details of the programme:

- 1. Quiz on General Statistics**
- 2. Poster depicting “The Use of Statistics in Today’s world”.**

The three best posters will be chosen and displayed on the college website.

Note:

1. All participants awarded above 60% will get e-certificates.
2. Posters are to be sent to statdept@marisstella.ac.in before 4th July, 2021. For any queries contact: 9440158334.
