A session on career guidance

A session on career guidance by popular Telugu anchor Mrs. Suma Kanakala was held on April 27, 2022. Students welcomed Suma with loud cheers. Mrs. Suma thanked the students and the college management for their warm welcome and shared that visiting Maris Stella College as a part of her movie "Jayamma Panchyati" promotions reminded her of her student days at St. Ann's High School in Secunderabad. She advised the students to work hard to achieve their goals. Replying to a query posed by a student on how to become a good anchor, she said that a good anchor needs to think on his/her feet and should have excellent communication skills. Later, students as well as lecturers took selfies with Mrs. Suma.
