

MARIS STELLA COLLEGE (AUTONOMOUS)

Department of Electronics

2021-2022

1. National Level Technology E-Quiz to commemorate National Engineer's Day on 15 September, 2021.

The nation celebrates Engineer's Day on September 15th to commemorate the birth anniversary of the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. The day is dedicated to our engineers' past achievements and glorifies the present engineering trends in the field of science and technology.

In this connection, the Department of Electronics conducted a National Level Technology E-Quiz. The main objective to conduct the e-quiz was to bring awareness among the public about modern day technology. The e-quiz was open to all from 13 to 16 September, 2021. There was an overwhelming response and received 474 responses from various parts of the country covering six states and one from Italy as well. (Karnataka, Maharashtra, Tamilnadu, West Bengal, Madhya Pradesh, Andhra Pradesh and Italy)

Out of the 476 responses received, 446 students, 26 faculty and 4 others answered the e-quiz. Participation e-certificates were issued to the participants who scored 50% and above. E-certificates were issued to 343 participants who scored 50% and above in the e-quiz.

2. National Level Infographic Competition on E-waste Recycling on the occasion of International E-Waste Day on 14th October, 2021.

Every year International E-Waste Day is observed on 14th October. Rapid advances in technology, urbanisation and economic growth are the major reasons for rapid increase in E-Waste. The day brings out the importance of recycling and reducing e-waste.

In this connection, the Department of Electronics conducted a National Level Infographic Competition on E-waste Recycling. The main objective to conduct this competition was to sensitize the youth on E-waste recycling. The competition was open to all from 12 to 16 October, 2021. There were 19 infographics responses received from various parts of the country covering five states. (Karnataka, Maharashtra, Tamilnadu, Telangana and Andhra Pradesh). All the infographics received depicted the awareness about the need of recycling and reusing the e-waste.

The judgement was done by a panel of judges taking into account the three main parameters:

1. Effectiveness in raising awareness
2. Visual Quality
3. Originality/Creativity

The winners of the competition were:

First prize: Syed Navreen, SRK Institute of Technology, Vijayawada

Second prize: Naithika Das, Anna Adarsh College For Women, Chennai

Third prize: Angel P, St Anne's Degree College for Women, Bangalore

Participation e-certificates were issued to all the participants.
