FEEDBACK ANALYSIS REPORT: 2021-22

1. Feedback on Curriculum & Action Taken Report

Students' Feedback on Curriculum

Feedback was collected from the students of all four streams (Arts, Science, Commerce, BMS and BBA) regarding curriculum. A total of 514 responses were received, analysed and action was taken.

Suggestions and Action Taken Report:

S. No.	Suggestions	Action Taken
1	Students provided suggestions on teaching-learning.	Based on feedback given by students, it was decided to make teaching-learning more experiential. All departments were asked to make necessary changes to their methods of teaching
2	Students suggested that they should be imparted training on facing job interviews specifically for Campus Recruitment Drive	Mock Interview Sessions were conducted by the Placement Cell and regular training was given to face interviews. All the final year students were given a 16-hour training program in 'Finance and Marketing' by the National Institution of Security Markets by Mr. Vijay Kumar, Corporate Trainer.
3	Exposure to the latest developments and advances should be known to the students	Experts were invited to share their knowledge with our faculty and students. Students interacted with the resource persons and were motivated to take up higher studies and apply for jobs which have a challenging future.
4	More field trips/industrial visits to get practical knowledge	Students were taken for educational tours department-wise though there were constraints that restricted the duration and frequency of the trips due to the pandemic.
5	Syllabus should be updated periodically to keep the students abreast with the latest trends in industry	Departments were asked to add more specialization courses which were the future of the industry.

6	More activities like hands-on workshops or training courses (certificate) of short duration to improve various skills	Departments are conducting various activities/ training programs/certificate courses on a regular basis to enhance the skills of the students.
7	The latest computer courses should be introduced as add on optional courses.	Department of Computer science was instructed to take suitable measures to run the latest courses.
8	More books, journals and reading material are needed in the library.	Although books and journals are available in abundant quantity in the library, recommendations for new books as per need are being sent to the Library Committee through the department head.

- Topics of contemporary relevance need to be incorporated into the various subjects of arts, sciences and commerce: this was discussed with members of the Board of Studies and changes were made to the curriculum.
- As per the feedback received from the students, remedial classes were started for slow learners to improve their performance.
- As per recommendation, educational and field trips were planned once a year. They could not be arranged in the past two years due to the pandemic.
- Tutorials aimed at Personality Development and Stress Management were planned as per the suggestion of the students.
- Faculty were asked to review the syllabus to make it on par with current global trends.
- Faculty were asked to recommend the latest edition of books in the syllabus.
- Faculty were asked to add more value-added courses after approval from the board of studies.
- Case study assignments are to be given to acquire problem-solving skills.
- Apart from regular teaching, social awareness and human values are to be imparted to students.

Suggestions and Action Taken Report of the Faculty:

Suggestions:

- Conduct orientation on how to publish research papers and develop research facilities
Offer incentives for publication.
- Required to attract meritorious students. Student strength has to be improved. Students should be tested during admission as many of them are not able to understand and write simple English.
- Fee payment must be allowed in instalments.
- Avoid changing formats related to mentoring, attendance etc. repeatedly.
- Need to develop staff friendly atmosphere in the college. Staff should have the freedom to express their opinions as well as their difficulties in the implementation of issues related to college.
- Remedial classes should be conducted only for those students who get below 60% marks.
- Need to delegate work depending on the capability of the individual.

Action taken Report

- Faculty development programmes are organised at regular intervals to develop research and quality in teaching/learning and mentoring.
- Students are tested before admitting them into various groups. Every faculty member needs to work hard to improve student strength.
- Formats for mentoring are finalized before sending them to faculty. Minor changes are made when necessary.
- Staff is allowed to express their views for the betterment of the college as and when required.
- Cleanliness and hygiene are taken care of in the classrooms, the canteen and washrooms.
- A gardener has been appointed to take care of the greenery.
