

**Chief Patron**

**Dr.Sr. Leena Quadras**

Correspondent, Maris Stella College

**Patron**

**Dr.Sr. Jasinth Quadras**

Principal, Maris Stella College

**Organising Committee:**

**Convenor**

**Dr.S.Vani Latha,**

Head, Department of Chemistry

**Organising Secretary**

**Dr.M.Sridevi**

**Members:**

Ms. D.Santha kumari

Dr. K.Sai Bhavani

Dr.U.Divya Sree

All registered participants will receive a participation certificate upon submitting the feedback.

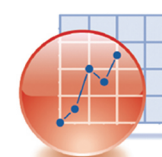

**MARIS STELLA COLLEGE**

(Autonomous), Vijayawada-8

A College with Potential for Excellence NAAC Accredited & ISO 21001:2018 Certified

**Two-day Online National Workshop on  
ChemDraw, Origin & MathType:  
Empowering Research & Teaching**

**17-18 September, 2025 6:00 – 8:00 P.M.**

**Organised By  
The Department of Chemistry**

**Resource Person:**

**Mr. K.T.S.S Raju, M.Sc. NET**

Associate Professor

Department of Chemistry

Andhra Loyola College, Vijayawada.

Andhra Pradesh, India - 520008

**About the College:** Maris Stella College, founded in 1962 as the first women's college in the region, is committed to quality education and holistic, value-based development. An autonomous institution since 2003, it follows the Choice Based Credit System and is recognized by the UGC as a College with Potential for Excellence. The college benefits from RUSA 2.0 support and actively engages in US-sponsored exchange programs, certificate courses, and scholarships.

**About the Department:** The Department of Chemistry, established in 1962, has been a cornerstone of scientific education and research, dedicated to fostering academic excellence and ethical values. Aligned with the college's mission to empower young women through transformative education, the department offers a comprehensive curriculum that emphasizes both theoretical knowledge and practical skills.

**About the Workshop:** The workshop aims to provide faculty, research scholars, and students with hands-on experience in essential research tools. The program will cover ChemDraw for chemical structure drawing, Origin for scientific data analysis and graphing, and MathType for creating mathematical expressions. This workshop focusses to strengthen participants' research and academic writing skills, helping them prepare high-quality reports, publications, and presentations.

**Objectives:**

- To train participants in ChemDraw, Origin, and MathType.
- To support better preparation of scientific content and presentations.

**Outcomes:**

- Participants can draw structures, make graphs, and write equations easily.
- Participants can present and publish research more effectively.

**Schedule**

**Day 1: ChemDraw:**

Drawing chemical structures, reactions and biological pathways with precision and clarity.

**Day 2: Origin:**

Scientific data analysis, statistical tools and professional graph plotting for research presentation.

**MathType:**

Creating and editing mathematical equations for academic writing and publications.

**Registration details:**

**Registration fee:**

Faculty: **Rs. 200/-**

Students & Scholars: **Rs. 100/-**
