MARIS STELLA COLLEGE

(Autonomous), Vijayawada-8

A College with Potential for Excellence

NAAC Accredited & ISO 21001:2018 Certified

Two-Day National Webinar on Ancient Wisdom for Modern Challenges: An Interdisciplinary Approach

Organised by
the IKS Cell in Association with the IQAC

Date: 15-16 September, 2025

Time: 5.00 - 7.00 pm

About the College

Maris Stella College is an autonomous institution run by the religious congregation of the Franciscan Missionaries of Mary. True to its vision and mission, the College offers quality education and maintains consistently high academic standards in an effort to give all students an equal opportunity for learning and personal development through a holistic education deeply rooted in values. It is the special mission of the College to reach out to students from socially and economically disadvantaged sections of society, and to prepare them to meet the challenges of a rapidly changing world.

Indian Knowledge Systems (IKS)

The IKS represents a vast and holistic body of traditional wisdom that has evolved over thousands of years, encompassing diverse fields such as philosophy, science, mathematics, medicine, architecture, linguistics, arts, and governance. Rooted in experiential learning and indigenous practices, it reflects the integration of intellectual inquiry with ethical, ecological, and spiritual dimensions of life. The IKS emphasizes sustainability, harmony with nature, and human well-being.

About the Webinar

The two-day webinar convenes scholars to examine how India's ancient knowledge systems and spiritual traditions can offer innovative solutions to contemporary social, cultural, and ecological issues. Through focused dialogue on tradition, education, sustainability, and innovation, the webinar aims to integrate historical insights with modern scientific inquiry, bridging a rich intellectual heritage with pressing global challenges.

Objectives of the Webinar

- To promote awareness of Indian Knowledge Systems (IKS) among students, scholars, and practitioners, encouraging the integration of traditional knowledge into contemporary education and research.
- To foster interdisciplinary dialogue on the relevance of India's ancient wisdom in addressing modern social, cultural, and ecological challenges.
- To identify practical applications and sustainable solutions derived from the intersection of traditional insights and modern innovation.

Expected Outcomes

Upon attending the webinar, participants will be able to

- Implement recommendations that translate ancient principles into actionable strategies for modern issues.
- Establish a multidisciplinary network of scholars and practitioners committed to ongoing collaboration in this field.
- Foster increased awareness and perspective on sustainability and well-being, informed by the synergy of traditional knowledge and contemporary thought.
